

I spy an insect,

A stuffed toy for play,

And the man who gave his fortune away.

I Spy at  
**THE HERSHEY STORY**

I spy with my little eye...

A rabbit mold,

A book that's old,

A box for candy  
that was sold.

I spy with my little eye...

A wheel down low,

A lamp that glows,

Elves with Kiss hats  
playing in snow.

A milking stool,

Mr. Hershey's jewel,

A souvenir that's really cool.
