

## A Living Legacy

Discover the many ways in which Milton and Catherine Hershey shared their fortune.

Find the stuffed lion. What building is it from?

---

What is Mr. Hershey's first home called?

---

What did it become part of?

---

This scavenger hunt helps Cub Scouts satisfy the following achievements:

Cub Scout—Collecting Belt Loop, #3

Bear Scout—Achievement 8, "The Past is Exciting and Important", #8e

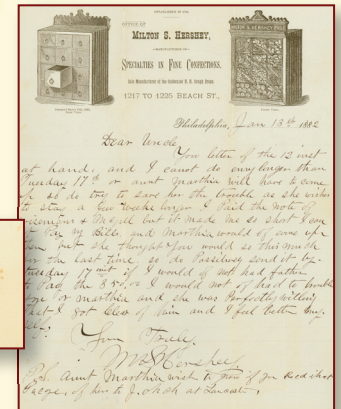

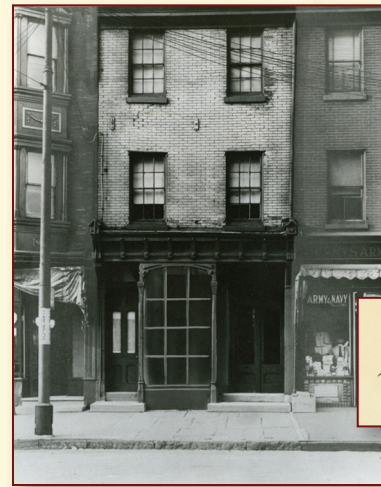

63 West Chocolate Avenue | Hershey, PA 17033 | [HersheyStory.org](http://HersheyStory.org)

## Failures to Fortunes

Find out how Milton Hershey failed several times before he finally succeeded.

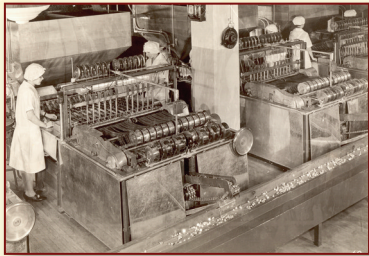

Find a wall from his first candy shop. What city was it in?

---

## Sweet Innovations

See how both Mr. Hershey and his factory workers were innovative, creating unique machines and tools.

Check out the scenes inside the Hershey factory.  
Find the wrapping machine. What type of product did it wrap?

---

Find steps of chocolate making.  
What step makes the chocolate taste extra smooth?

---

## Power of Promotion

Mr. Hershey was full of good ideas.  
See how he used give-aways, holiday packaging, and the entire town of Hershey to promote his products!

Find the Hershey Park pillow. What building is located next to the swimming pool? (It has a flag on it.)

---

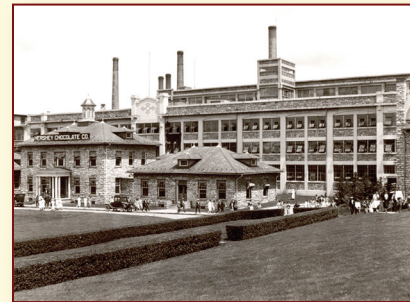

## Hershey Builds Hershey

Mr. Hershey wanted his workers to have a pleasant town in which to live and work.

Do you see a very old map of Hershey? Find it and circle three reasons why Mr. Hershey built his town here:

Railroads   Beaches   Milk   Workers   Airport

Find the electronic map. What do you think was the most important building in town? (Hint: it's the biggest.)

Choose two other buildings and write what they were called and when they were built:
